*Thank you for helping make
HANNAH'S VISION come true!*

It is through the generosity of people like you that those in desperate need will be supplied with a **well of clean water!!**

Thank-you from _____ **and the rest of Hannah's Hundreds fundraising team!!!**

(Participants...print your name above)

We hope you will continue to spread the word about Hannah's Hundreds and consider sponsoring a child. We believe that much of Hannah's unselfish nature, compassion, and thankful heart was a direct result of her sponsored 'little brother'. If there is a child, or grandchild in your life who could benefit by these attributes---we pray you will see that not only can a sponsorship bless a child you may never meet---but it might just be the biggest blessing you ever gave to the child you love. We KNOW it was for our Hannah.

Thank you again, and may God bless you! Jim & Sylvia (Hannahs' parents)
